These medicines are existent secrets fewer sustains a high regutation as a teres me. These indebted to me, please nor patents, and as physicians everywhere use them in their practice they immediatoly command public esteem and confidence. They are highly cologized, sell rapidly at all points, and we earnestly advise every family to buy a supply of these valuable remedies. See advertisement in another column, headed "Great Southern or anything else you want, at either whole July 3, '68-1m.

> Attention Ladies. -De not be deceived by interepresentations of the Willeox & Gibbs Sewing Machine by interested parties tail and examine for yourselves, for the Willcox & Gibbs Agents are not only wil-East from National Hotel, Clarks-Helr, but average, for their prachines to be ville, Tennessee. tested side by side with any machine. Wheeler and Whon's and other ma-chines, as good as new, at from ten to rous, to polling less than agent's prices. Office to polling less than agent's prices. Office Trustees. Agents and Private Parites, either on the street, in the city or country. Wheeler and Wilson's and other ma-

WILLCOX & GIBBS SEWING MACHINE will use coarse cotton, linen, silk and twine. It runs easier, faster and stiller than any other machine. It forms a flat, even and elastic seam, differing from every other stich, each loop being twisted by means of the

TITILLCOX & MIBBS

FAMILY

SILENT

"Rotating Hook," and drawing the twist into the goods, thus securely fustening every slich, so that the seam will bear to be ent at frequent intervals, and in that case even, the seam is warranted not to rip in wear, and under all circumstances to "survive the washtub."
A Patented be-t'es prevents the possibility of the machine being run in the wrong direction, or the balance wheel ever wearing or touching the dress. By another ingenious Patent improvement,

The Needle cannot be Set Wrong. Thus avoiding the great trouble of other machines. In this it is so easy that a child may set it in the dark with unerring cor-rectness every time.

NO BREAKING OF NEEDLES. The blade of the needle is less than % of inch long, and is straight. It is less than half the length of other machine needles, many of which are curved, therefore more easily bent or broken—a great source of annoyance, expense and trouble. The Hemmer and Feller can never

be set wrong. Any one may adjust them in the dark.—
The hem may be of any width. No other hemmer or feller is like this. It turns the hem on the right or under side, as you want.

IT WILL NOT DROP STITCHES.

WILLCOX & GIBBS SEWING MACHINE They are manufactured with

THEY WILL NOT GET OUT OF ORDER. We have known it intimately for several years, and so far as we know, not one in family use has ever cost a dime to repair, or ever been out of order at all. They will last a generation, if properly cared for. None who have used it can be persuaded to use any other.
